

MEZZANINE

A lounge collection for reception, lobby, and open spaces, Mezzanine is a modern take on the classic tuxedo lounge aesthetic. Its precise proportions and subtle details allow it to anchor the space without overpowering its surroundings.

CONSTRUCTION	1" x 1" steel tube legs welded to a flat steel connecting plate. Frame construction with completely finished bottom panel. Multi-density foam seat for a softer sit, plus Performance Edge foam for additional comfort and superior durability. Throw pillows are permanently attached.
